

# Orphan's Hope™

Dear Orphan's Hope Partners,

We thank you so much for your kind support for the orphanages during this pandemic period. In the midst of Covid quarantine and lack of food for many orphanages, we praise the Lord that He has answered our prayers in providing through many of you.

In Myanmar 80% of the people are having to skip meals, markets are closed, and it is a very difficult time, especially for the orphanages. Thanks to you we have been able to feed 50,000 meals to 600 orphans in the last two weeks. (more pictures below). Where children have been hungry and only been getting

porridge, they have been so happy to receive food. Thank you to everyone who cheerfully and kindly gave for these Myanmar children.

*Our Vision is Bearing Fruit!*

Our unique vision for our Garden Home orphanage has been a great success not only for the orphans in our care but many others. The expanded gardens are flourishing and enable us to share fresh food with other homes in need. Trees are bearing fruit, chickens are providing thousands of eggs, and fish from the ponds are on the table.

We have expanded vegetable gardens significantly at Garden Home. The pictures below will give you a idea of the physical and spiritual impact being made as we have been sharing with other orphanages.

Things have been busy with our children off from school during this pandemic. We are using online learning tools to provide classes, mobilize prayer and have Bible studies. Our children are healthy, happy, growing physically and spiritually.

*Children praying for each other*

*Sharing produce from Garden Home*

*New House* - We want to provide a new house at Garden Home for more orphans who have lost both mother and father. The new home will house 32 orphans who are currently homeless or living in a very crowded orphanage in a war zone in the northern part of the country. We have received just over half the funds needed, \$80K, to build a new two-story house but are praying for the remainder before the end of the year. We pray God will lead

some of you join with us in this life changing project that will bless orphans for years to come. Call for more information to +1 612-270-8878

We still very much need your support and will faithfully use it to care for orphans in need. Giving individual gifts or setting up monthly support is very direct and easy. See [www.OrphansHope.org/Donate](http://www.OrphansHope.org/Donate)

Thank you very much to all our friends and donors. We are grateful for your prayers and giving.

Sincerely, Steve, Dal Lian, Su Su, and our Orphan's Hope staff in Myanmar and Ukraine.

Steve Cassidy, President - Orphan's Hope
